Builds Clocks That Tick And Run

The Story of The Clocks

A Manual for

GILBERT

CLOCK SETS

KLAX **TOY**

A wooden clock face with a semi-circular top and a textured surface. The clock face is made of wood with a vertical grain pattern. The numbers 1 through 12 are printed in black. The hands are made of wood and are attached to a central pivot. The hour hand is pointing to 9 and the minute hand is pointing to 1. There is a small metal piece at the top of the clock face.
