METALL-BAUKASTEN

Liebe Jungs!

Der neue „AUKI“ Metall-Baukasten ist wohl das interessanteste und lehrreichste Spielzeug für Euch. Außer den abgebildeten Modellen könnt Ihr noch hunderte andere konstruieren und bauen, da der „AUKI“-Metallbaukasten laufend durch Ergänzungskästen erweitert wird und sämtliche Einzelteile hinzugekauft werden können, ist der Baukasten unerschöpflich. Er wird Euch ein Wegweiser zum „Meister der Technik“ sein.

Nun frisch ans Werk!

Hallo, Boys!

This new “AUKI” Meccano Construction Set is to be sure just the thing you will like: a most interesting and instructive toy. You can construct and build not only all the nice models pictured in this booklet, but even some hundreds more, especially if you get the annexing „AUKI“ boxes or at least the additional single parts all kinds of which are to have at every time. So „AUKI“ is your helpful guide to championship in engineering construction.

Just try!

Unser Baumaterial / Our building-material.
