

BILOfix

ein begeistertes Spielzeug, unterhaltend, anregend und belehrend zugleich - wie langweilig?
 BILOfix erzieht, klärt und fördert mit den besten eigenen Konstruktionen und bietet den Spielern unendlich viele, interessante technische Baueigenschaften. Die Phantasie wird angeregt, das technische Verständnis schnell gefördert.

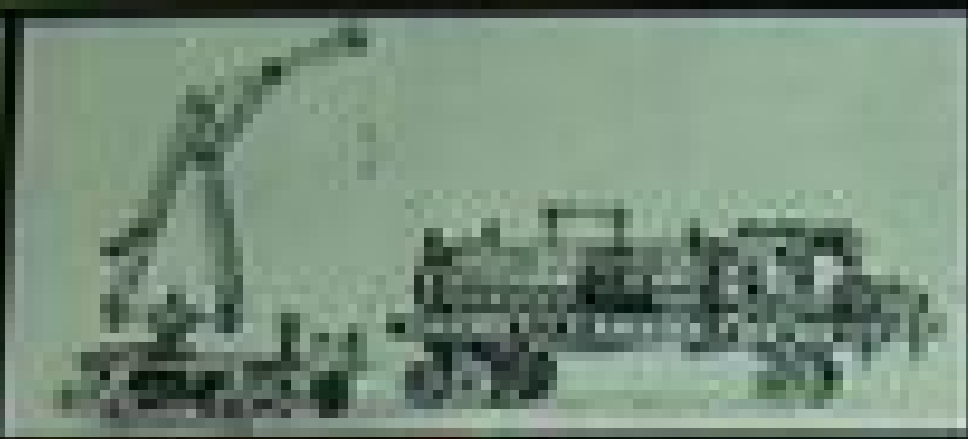

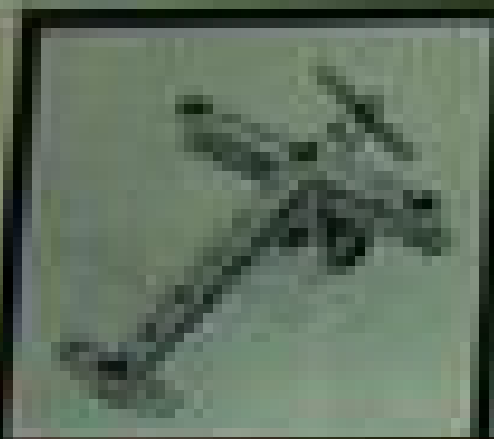

BILOfix hat ein Kinderleben lang von kleinsten Spielzeugen bis zur feinsten technischen Maschine bis zum funktionierenden Transistor oder gar zum Kiste, Dinge, einige Beispiele von tausenden Möglichkeiten zeigt diese Broschüre.

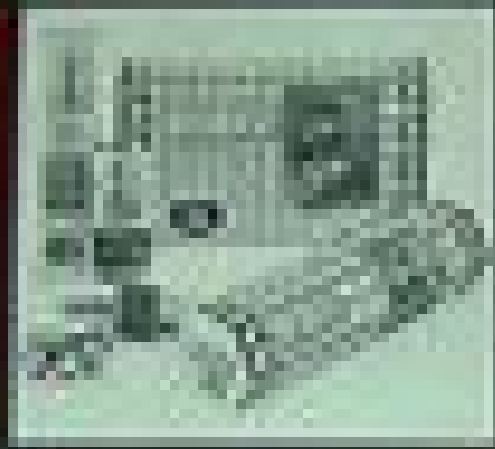

BILOfix in der ansprechenden und praktischen Packung ist beliebig erweiterungsfähig. Es wird von Pädagogen und Kindergärten zur Erziehung empfohlen. Es erhielt 1965 in Frankfurt und Garmisch die Auszeichnung "Das Spielzeug des Jahres".

B-C-D ANIMATED MECHANICAL CLOCKS (Import)—Three colorfully decorated animated mechanical clocks which actually keep time accurately, while the big eyes provide constant amusement as they roll back and forth in time with pendulum. 5½" high, with brackets for hanging on wall. Ship. wt. 1 lb. each.

B 802-037 INDIAN CLOCK . . . 4.75 C 802-022 SOLDIER . . . 4.75

D 802-065 OWL (carved wood) . . . 4.95

E 860-009 MUSTANG PALOMINO Ship. wt. 30 lbs. Express . . . **26.95**

(2 to 7 yrs.)—A handsome charger with realistic detail to charm young riders, who sit safely astride the unbreakable plastic body for a gallop on 60 lb. springs suspended on strong chrome steel uprights. Branded hardwood steps on step-up side rails, reins, metal bit and stirrups. 37" long, saddle height 28".

F 811-032 SCAMP PUP (Import) Ship. wt. 5 lbs. . . . **13.95**

This little black and white pup likes nothing better than a jaunt outside. Mounted on a wheeled metal frame with his paws fixed to pedals, he looks like he's trotting along, his legs twinkling and his little black tail swishing back and forth. Plush pup 14" high, pusher bar 18" high.

G 820-034 PLAYPAL PUSHER (Import) . . . **5.95**

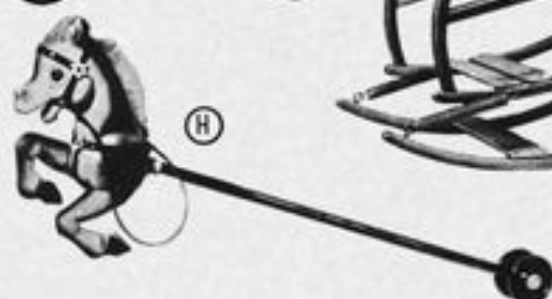

(6 to 18 mos.)—For tots who develop their legs by pushing themselves along on the sturdy three-wheeled vehicle, holding on to the handle which also serves as a means of steering. The solid wood seat is finished in red enamel with puppy design. Steel frame and rubber tired wheels mean strength and noiseless operation, indoors or out. 18" overall. Ship. wt. 6 lbs.

H 810-063 STICK HORSE Ship. wt. 3 lbs. . . . **3.50**

A toy that seems to appeal to each new generation as strongly as ever, the stick horse helps youngsters work off excess energy in imaginative play. This handsome charger, made of latex rubber, is perfect for indoor gallops. 36" long overall, with red and white harness, green hardwood stick and plastic wheels.

J 810-021 TEETERTOT SHOOFLY **11.95**

(9 mos. to 2 yrs.) This fine shoofly provides both fun and exercise by encouraging two motions that delight babies—bouncing and rocking. Solidly constructed of selected hardwood with attractive blonde maple finish. Plated hardware and suspension springs. 33" long, 19" high. Ship. wt. 11 lbs.

K 860-094 HURRICANE GALLOPING HORSE

(Import) Ship. wt. 35 lbs. Express . . . **110.00**

(2 to 7 yrs.)—Hurricane is a real galloping horse who can turn to the right or left at his master's command. Back-and-forth action of legs in conjunction with one-way concealed wheels in hoofs causes forward movement. 38" long, with nylon plush "skin" over strong tubular steel frame. Leather harness, flowing mouton mane and tail, adjustable stirrups. Saddle height 26".
