42006

This image features two LEGO Technic models. In the background, a yellow excavator (set 42006) is shown with its articulated arm raised, holding a small red and white striped object. The excavator has a black track system and is positioned on a dark, reflective surface. In the foreground, a red and white Formula 1 car (set 42000) is displayed. The car has a white chassis with red accents, black tires, and a number '71' on its side. It is also on the same dark surface. The background consists of a wall with a large, dark, textured pattern.
