[illegible]

1. A grey Technic beam with four black pins inserted into the first four holes from the left.

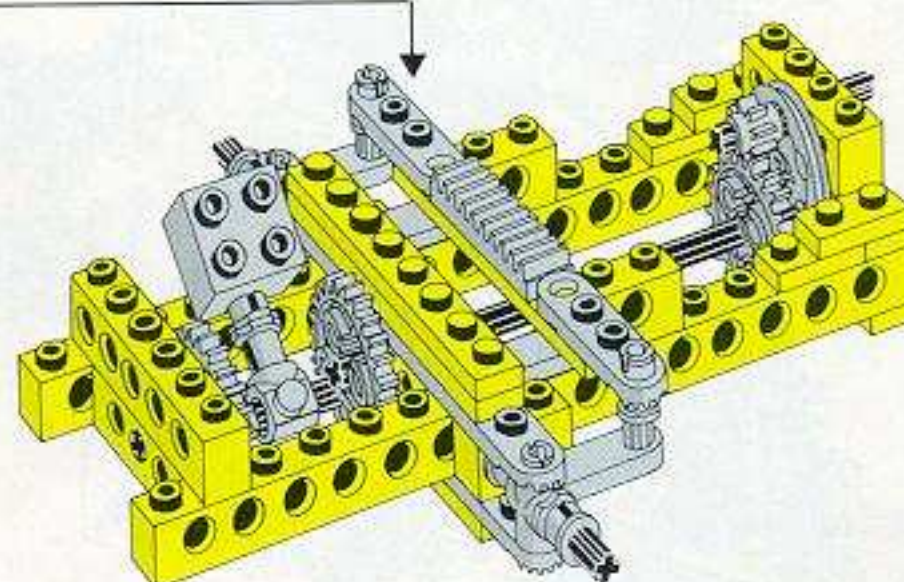

2. A yellow Technic beam is being placed over the grey beam, with its left end aligned with the first pin.

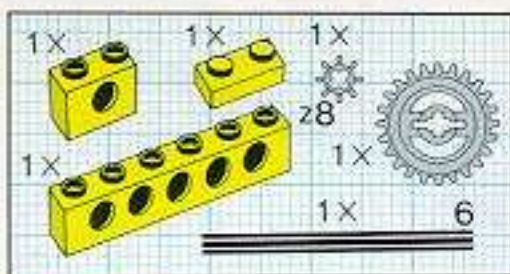

3. The yellow beam is fully seated over the grey beam, with its right end aligned with the fourth pin.

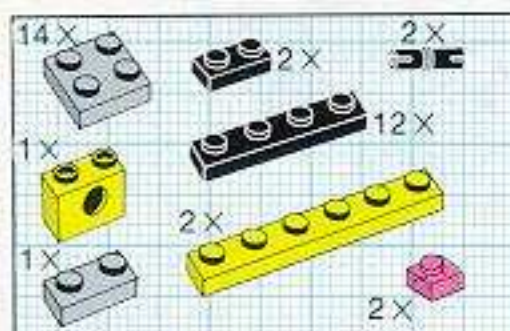

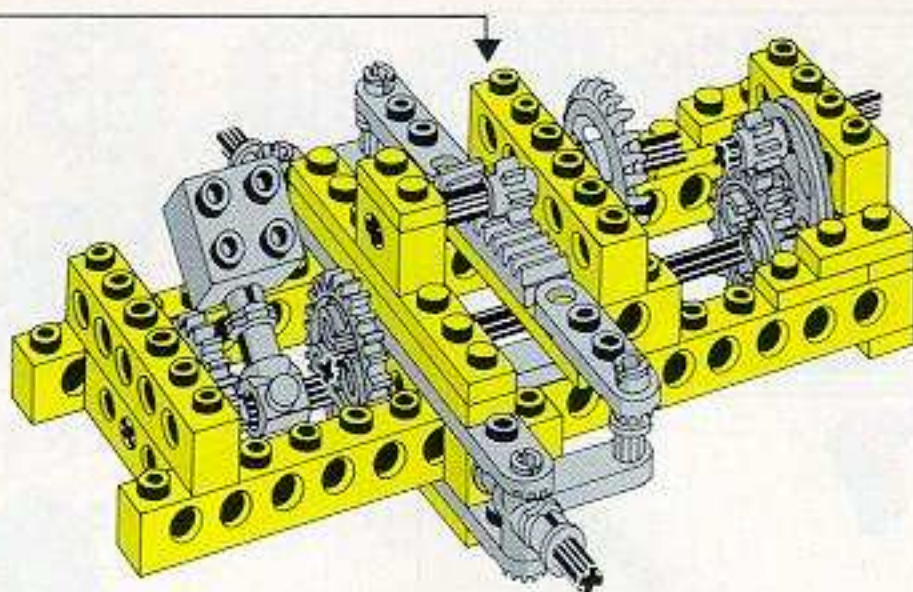

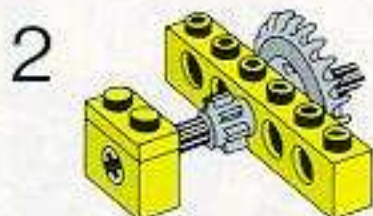

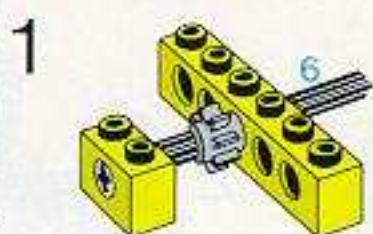

1. A yellow Technic beam (1x10) is shown.

2. A grey Technic axle (1x10) is inserted into the beam, and a grey Technic bush (1x10) is placed over the axle.
